

BIDS AND AWARDS COMMITTEE

SUPPLEMENTAL BID BULLETIN NO. 3

**SUPPLY AND DELIVERY OF VARIOUS I.T SUPPLIES AND EQUIPMENT  
(PHilMech-Goods-26-03-04)**

This **Supplemental/Bid Bulletin No. 3** is being issued to clarify, amend and supplement provisions in the Bidding Documents.

**A. ISSUES AND CONCERNS DURING THE PRE-BID CONFERENCE**

1. *Issue / Proposal: Request for clarification on whether the Bid Securing Declaration (BSD) must be accompanied by another form of Bid Security, or if the BSD alone is sufficient.*

**Action Taken/Reply: A Bid Securing Declaration alone is sufficient to meet the bid security requirement. Per the Philippine Bidding Documents (PBDs), the Bid Security shall be in the form of a Bid Securing Declaration OR any other form and amount as stated in ITB Clause 16.1 of the Bid Data Sheet.**

2. *Issue / Proposal: Inquiry on whether the Statement of All Ongoing Government and Private Contracts (including those awarded but not yet started) must be accompanied by supporting documents.*

**Action Taken/Reply: The requirement is for a list only. However, bidders are encouraged to submit supporting documents (e.g., Notice of Award, Contract, or Notice to Proceed) during the opening of bids to expedite the Post-Qualification process, where these documents will be required and evaluated.**

3. *Issue / Proposal: Request to extend the delivery period to 90 calendar days for equipment due to stock availability.*

**Action Taken/Reply: The 45-calendar day delivery period is retained to meet the project's timeline.**
