- The request must be in writing;
- The request shall state the name and contact information of the requesting party, as well as provide valid proof of identification or authorization; and
- The request shall reasonably describe the information requested, and the reason for, or purpose of, the request for information.

(See Annex “E”)

The request can be made through email, provided that the requesting party shall attach in the email a scanned copy of the FOI application request and a copy of a duly recognized government ID with photo.

1.2. In case the requesting party is unable to make a written request because of illiteracy or due to being a person with disability, he or she may make an oral request, and the FRO shall reduce it in writing.

1.3. The request shall be stamped received by the FRO, indicating the date and time of the receipt of the written request, and the name, rank, title and position of the public officer who actually received it, with a corresponding signature and a copy, furnished to the requesting party. In case of email requests, the email shall be printed out and shall follow the procedure mentioned above and be acknowledged by electronic mail. The FRO shall input the details of the request on the Request Tracking System and allocate a reference number.

1.4. The AGENCY or any of its divisions must respond to requests promptly (**ANNEX E1**), within the fifteenth (15) working day following the date of receipt of the request. A working day is any day other than a Saturday, Sunday, or a day which is declared a national public holiday in the Philippines. In computing for the period, Art. 13 of the New Civil Code shall be observed.

The date of receipt of the request will be either:

- a. The day on which the request is physically or electronically delivered to the government office, or directly into the email inbox of a member of staff; or
- b. If the government office has asked the requesting party for further details to identify and locate the requested information, the date on which the necessary clarification is received.

An exception to this will be where the request has been emailed to an absent member of staff, and this has generated an 'out of office' message with instructions on how to redirect the message to another contact. Where this is the case, the date of receipt will be the day the request arrives in the inbox of that contact.

Should the requested information need further details to identify or locate, then the 15 working days will commence the day after it receives the required clarification from the requesting party.

2. Initial Evaluation. After receipt of the request for information, the FRO shall evaluate the contents of the request.

2.1. Request relating to more than one office under the AGENCY: If a request for information is received which requires to be complied with, of different attached agencies, bureaus, and offices, the FRO shall forward such request to the said attached agency, bureau, and office concerned and ensure that it is well coordinated and monitor its compliance. The FRO shall also clear with the respective FROs of such agencies, bureaus, and offices that they will only provide the specific information that relates to their agencies, bureaus, and offices.

2.2. Requested information is not in the custody of the AGENCY or any of its attached agencies, bureaus, and offices (ANNEX F): If the requested information is not in the custody of the AGENCY or any of its divisions following referral and discussions with the FDM, the FRO shall undertake the following steps:

- If the records requested refer to another agency, the request will be immediately transferred to such appropriate AGENCY through the most expeditious manner and the transferring office must inform the requesting party that the information is not held within the 15 working day limit. The 15 working day requirement for the receiving office commences the day after it receives the request.
- If the records refer to an office not within the coverage of E.O. No. 2, the requesting party shall be advised accordingly and provided with the contact details of that office, if known (ANNEX G).

2.3. Requested information is already posted and available online: Should the information being requested is already posted and publicly available in the AGENCY website (www.philmech.gov.ph), data.gov.ph, or foi.gov.ph, the FRO shall inform the requesting party of the said fact and provide them the website link where the information is posted.

2.4. . Requested information is substantially similar or identical to the previous request: Should the requested information be substantially similar or identical to a previous request by the same requester, the request shall be denied. However, the FRO shall inform the applicant of the reason for such denial.

3. Transmittal of Request by the FRO to the FDM: After receipt of the request for information, the FRO shall evaluate the information being requested and notify the FDM of such request. The copy of the request shall be forwarded to such FDM within one (1) day from receipt of the written request. The FRO shall record the date, time, and name of the FDM who received the request in a record book with the corresponding signature of acknowledgement of receipt of the request.

4. Role of FDM in processing the request: Upon receipt of the request for information from the FRO, the FDM shall assess and clarify the request if necessary. He or she shall make all necessary steps to locate and retrieve the information requested. The FDM shall ensure that the complete information requested be submitted to the FRO within 10 days upon receipt of such request. The FRO shall note the date and time of receipt of the information from the FDM and report to the DIRECTOR IV or the designated FDM, or Chief SRS in case the submission is beyond the 10-day period. If the FDM needs further details to identify or locate the information, FDM shall, through the FRO, seek clarification from the requesting party. The clarification shall stop the running of the 15 working day period and will commence the day after it receives the required clarification from the requesting party. If the FDM determines that a record contains information of interest to another office, the FDM shall consult with the agency concerned on the disclosability of the records before making any final determination.

5. Role of FRO to transmit the information to the requesting party: Upon receipt of the requested information from the FDM, the FRO shall collate and ensure that the information is complete. FRO shall attach a cover/transmittal letter signed by the DIRECTOR IV or the designated FDM, or Chief SRS of divisions concerned and ensure the transmittal of such to the requesting party within 15 working days upon receipt of the request for information.

6. Request for an Extension of Time: If the information requested requires extensive search of the government's office records facilities, examination of voluminous records, the occurrence of fortuitous events or other analogous cases, the FDM should inform the FRO. 13 The FRO shall inform the requesting party of the extension, setting forth the reasons for such extension. In no case shall the extension exceed twenty (20) working days on top of the mandated fifteen (15) working days to act on the request, unless exceptional circumstances warrant a longer period.

7. Notice to the Requesting Party of the Approval/Denial of the Request:

Once the DM approved or denied the request, he shall immediately notify the FRO who shall prepare the response to the requesting party either in writing or by email. All actions on FOI requests, whether approval or denial, shall pass through the DIRECTOR IV or any of his designated Chief SRS for final approval.

8. Approval of Request: In case of approval, the FRO shall ensure that all records that have been retrieved and considered be checked for possible exemptions prior to actual release. The FRO shall prepare the letter or email informing the requesting party within the prescribed period that the request was granted and be directed to pay the applicable fees, if any.

9. Denial of Request: In case of denial of the request wholly or partially, the FRO shall, within the prescribed period, notify the requesting party of the denial in writing. The notice shall clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein provided shall be deemed a denial of the request to information. All denials on FOI requests shall pass through the FDM.

SECTION 6

REMEDIES IN CASE OF DENIAL OF REQUEST

A person whose request for access to information has been denied may avail himself of the remedy set forth below:

1. Administrative FOI Appeal to the AGENCY Central Appeals and Review Committee: Provided that the written appeal must be filed by the same requesting party within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.

a. Denial of the Appeal by the Heads of the AGENCY and its divisions may be appealed by filing a written appeal to the AGENCY Central Appeals and Review Committee within fifteen (15) calendar days from the notice of denial or from the lapse of the period to respond to the request.

2. Upon exhaustion of administrative FOI appeal remedies, the requesting party may file the appropriate judicial action in accordance with the Rules of Court.

Reasonable Cost of Reproduction and Copying of the Information: The FRO shall immediately notify the requesting party in case there shall be a reproduction and copying fee in order to provide the information. Such fee shall be the actual amount spent by the AGENCY in providing the information to the requesting party. The schedule of fees shall be posted by the AGENCY.

3. Exemption from Fees: The AGENCY may exempt any requesting party from payment of fees, upon request stating the valid reason why such requesting party shall not pay the fee.

notify the person making the request of such extension, setting forth the reasons for the extension. In no case shall the extension go beyond twenty (20) working days counted from the end of the original period, unless exceptional circumstances warrant a longer period.

- (f) Once a decision is made to grant the request, the person making the request shall be notified of such decision and directed to pay any applicable fees.

SECTION 10. Fees. Government offices shall not charge any fee for accepting requests for access to information. They may, however, charge a reasonable fee to reimburse necessary costs, including actual costs of reproduction and copying of the information requested, subject to existing rules and regulations. In no case shall the applicable fees be so onerous as to defeat the purpose of this Order.

SECTION 11. Identical or Substantially Similar Requests. The government office shall not be required to act upon an unreasonable subsequent identical or substantially similar request from the same requesting party whose request has already been previously granted or denied by the same government office.

SECTION 12. Notice of Denial. The notice shall clearly set forth the ground or grounds for denial and the circumstances on which the denial is based. Failure to notify the requesting party of the action taken on the request within the period herein provided shall be deemed a denial of the request for access to information.

SECTION 13. Remedies in Case of Denial of Request for Access to Information. A person whose request for access to information has been denied may avail himself of the remedies set forth below:

- (a) Denial of any request for access to information may be appealed to the person or office next higher in authority, following the procedure mentioned in Section 8 (f) of this Order: Provided, that the written appeal must be filed by the same person making the request within fifteen (15) calendar days from the notice of denial or from the lapse of the relevant period to respond to the request.
- (b) The appeal shall be decided by the person or office next higher in authority within thirty (30) working days from the filing of said written appeal. Failure of such person or office to decide within the afore-stated period shall be deemed a denial of the appeal.
- (c) Upon exhaustion of administrative appeal remedies, the requesting party may file the appropriate judicial action in accordance with the Rules of Court.

SECTION 14. Keeping of Records. Subject to existing laws, rules, and regulations, government offices shall create and/or maintain accurate and reasonably complete records of important information in appropriate formats, and implement a

records management system that facilitates easy identification, retrieval and communication of information to the public.

SECTION 16. Implementing Details. All government offices in the Executive Branch are directed to formulate their respective implementing details taking into consideration their mandates and the nature of information in their custody or control, within one hundred twenty (120) days from the effectivity of this Order.

SECTION 17. Separability Clause. If any section or part of this Order is held unconstitutional or invalid, the other sections or provisions not otherwise affected shall remain in full force and effect.

FREEDOM OF INFORMATION MEMORANDUM CIRCULAR

FOR : ALL AGENCIES, DEPARTMENTS, BUREAUS, OFFICES AND INSTRUMENTALITIES OF THE EXECUTIVE BRANCH INCLUDING GOVERNMENT-OWNED AND/OR CONTROLLED CORPORATIONS (GOCCS), STATE UNIVERSITIES AND COLLEGES (SUCS), AND LOCAL WATER DISTRICTS (LWDS)

SUBJECT : GUIDELINES ON THE REFERRAL OF REQUESTED INFORMATION, OFFICIAL RECORD/S AND PUBLIC RECORD/S TO THE APPROPRIATE GOVERNMENT AGENCY OTHERWISE KNOWN AS THE “NO WRONG DOOR POLICY FOR FOI”

WHEREAS, Executive Order (EO) No. 02, s. 2016 was issued by President Rodrigo Roa R. Duterte to operationalize the Constitutional Right of Access to Information, and Policy of Full Public Disclosure in the Executive Department;

WHEREAS, Memorandum Order (MO) No. 10, s. 2016 designated the Presidential Communications Operations Office (PCOO) as the lead agency in the implementation of EO No. 02, s. 2016;

WHEREAS, Department Order No. 18, s. 2017, issued by the PCOO, created the Freedom of Information – Project Management Office (FOI-PMO) to exercise the mandate of MO No. 10, s. 2016;

WHEREAS, in order to ensure the policy of the President to have an open, transparent and accountable government, it is the mandate of the PCOO to develop programs and mechanisms to enhance the capacity of government agencies to comply with the FOI program;

WHEREAS, there is a need to break the prevailing “silo system” and lack of interconnection among government agencies, with the end goal of a government acting as a singular unit serving its primary client, its citizens;

7th Floor Times Plaza Building, United Nations Ave., Emila, City of Manila, Philippines

NOW, THEREFORE, by virtue of PCOO's mandate to develop programs and mechanism to ensure compliance with the FOI program, particularly on addressing the issue regarding the referral of any requested information, official record/s, or public record/s to the appropriate government agency, these rules are hereby prescribed and promulgated for the information, guidance and compliance of all concerned:

Section 1. Purpose. – This rule seeks to set guidelines for the referral of any requested information, official record/s, or public record/s to the appropriate government agency by another agency which does not have in its possession or custody the requested information or records, or is not authorized to release the information to the public.

Section 2. Coverage. – This Order shall cover all government agencies under the Executive branch implementing the FOI Program, pursuant to EO No. 2, s. 2016 and all other related issuances, and applies to both paper-based and electronic form of requesting information.

Section 3. Request for Information. – Any person who requests for access to information shall comply with Section 9 of EO No. 02, s. 2016 and all other pertinent laws, existing rules and regulations, issuances, and orders. For purposes of this rule, information and records shall refer to information, official record/s, or public record/s as defined under EO No. 02, s. 2016.

Section 4. Acceptance of request. – As a general rule, all fully compliant requests for information shall be accepted by the FOI Receiving Officer (FRO) and FOI Decision Maker (FDM). No request for information shall be denied or refused acceptance by a government office unless the reason for the request is contrary to the Constitution, pertinent laws, existing rules and regulations, or it is one of the exceptions provided under the Inventory of Exceptions.

Section 5. Process of Referral. – When the requested information is not in the possession of a government agency (government agency no. 1 or GA1), but is available in another government agency (government agency no. 2 or GA2) under the Executive Branch, the request shall be immediately referred by GA1 to GA2 through the most expeditious manner but not exceeding three (3) working days from the receipt of the request. This shall be considered as the "**First Referral**" and a fresh period will apply.

Referral to the appropriate government agency shall mean that another government office is the proper repository or custodian of the requested information or records, or have control over the said information or records.

If GA1 fails to refer the request within three (3) working days upon its receipt, the FRO shall act on it within the remaining period to respond pursuant to EO No. 02, s. 2016. No fresh period shall apply.

If GA1, in good faith, erroneously referred the request to GA2, the latter shall immediately notify the former as well as the requesting party, that the information requested is not available in their agency.

GA2, to whom the request was referred under the First Referral may subsequently refer the request to another government agency (government agency no. 3 or GA3) under the procedure set forth in the first paragraph of this Section. This shall be considered as the **"Second Referral"** and another fresh period shall apply.

Referrals under this Order shall only be limited to two (2) subsequent transfers of request. A written or email acknowledgement of the referral shall be made by the FRO of the government agency where it was referred.

The requesting party shall be notified of the referral and must be provided with the reason or rationale thereof, and contact details of the government office where the request was referred.

Section 6. FOI Internal Messenger. - The FOI-PMO shall create a **"FOI Internal Messenger"**. Such feature shall be included in the dashboards of FROs and FDMs, located at the eFOI portal or www.foi.gov.ph, where all FROs and FDMs can ask or confirm with each other on which agency has the control and custody of any information or record being requested.

Please see Annex "A" of this Circular for the No Wrong Door Policy Flowchart.

Section 7. Status of the Request. - A request that is referred to the appropriate government agency is considered **successful** if the same is acknowledged and the requested information is disclosed to the requestor.

If GA3, after the second referral, still cannot provide the information requested, it shall deny the said request and shall properly notify the requesting party.

In all phases of the referral, the requesting party shall be informed in writing, email, and/or through the eFOI of the status of his/her request.

Section 8. Inventory of Receiving Officers and Decision Makers, and Agency Information Inventory. - For the convenience of all FROs and FDMs

in implementing this Circular, an inventory of the names and contact details of all designated FROs and FDMs of government agencies, and an Agency Information Inventory (AII) shall be compiled by the FOI-PMO.

The FOI-PMO shall be the central repository of the inventory of all designated FROs and FDMs and shall collate and update the names and contact information of the designated FROs and FDMs of each government agency. The inventory shall be posted at the eFOI portal, www.foi.gov.ph. FOI-PMO shall strictly adhere to Republic Act No. 10173 or the Data Privacy Act of 2012.

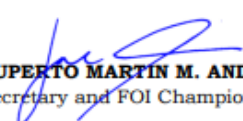

To assist the FROs in locating the requested information or record, an annual updating of the AII shall be required of all agencies on-boarded on the eFOI Portal. The consolidated inventory of information shall likewise be made available in the dashboard of the FRO and FDM for ease of access and information.

Section 9. Separability Clause. If, for any reason, any part or provision of this Memorandum Circular is declared invalid or unconstitutional, the other provisions not affected thereby shall remain in full force and effect.

Section 10. Repealing Clause. All orders, rules and regulations, memoranda, circulars, and issuances or any part thereof inconsistent with the provisions of this Memorandum Circular are hereby repealed, amended or modified accordingly.

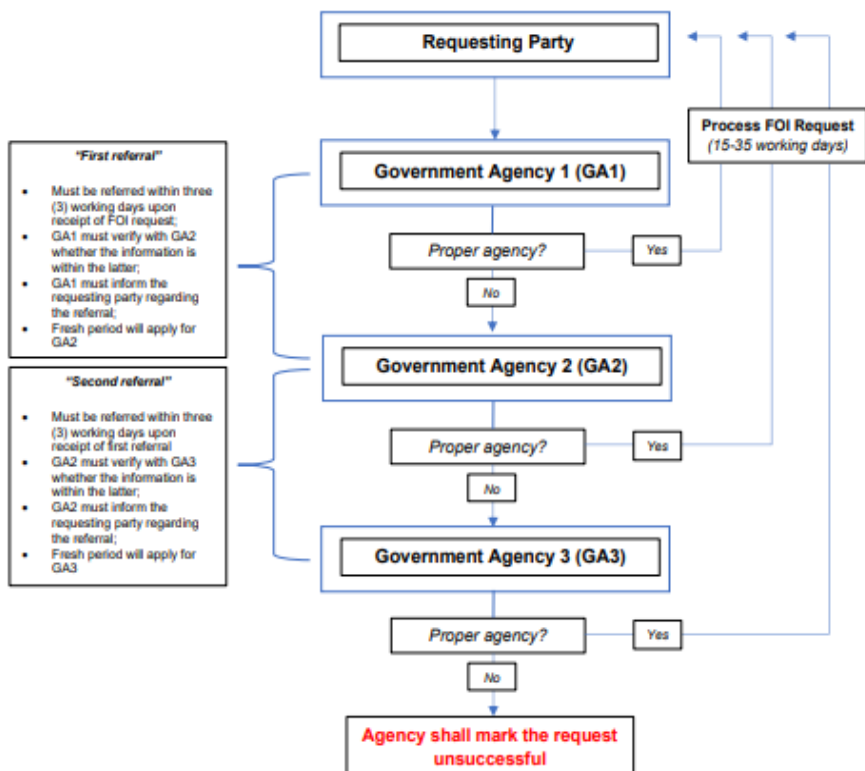

Section 11. Effectivity. This Memorandum Circular shall take effect immediately.
